Informazioni generali

General information

Euroluce attua una vera e propria politica finalizzata alla qualità, alla protezione dell'ambiente, alla tutela della salute e della sicurezza, ritenendola assolutamente prioritaria per il conseguimento degli obiettivi aziendali.

Euroluce non risponde per eventuali danni a persone o cose causati da una non corretta installazione dei propri apparecchi di illuminazione, da un uso di lampadine non conformi e dalla modificazione delle caratteristiche tecnico costruttive.

Euroluce si riserva di apportare ai modelli ogni modifica estetica e tecnica che a suo insindacabile giudizio ritenga necessaria.

I colori e le dimensioni nel catalogo si intendono indicativi e non vincolanti.

Tutti i modelli di Euroluce sono depositati e /o coperti da brevetto.

Euroluce implements a real policy aimed at quality, environmental protection, health and safety, considering it an absolute priority for the achievement of the company's objectives.

Euroluce is not liable for any damage to persons or property caused by improper installation of its lighting fixtures, use of non-compliant bulbs and modification of technical construction characteristics.

Euroluce reserves the right to make any aesthetic and technical changes to the models that it deems necessary in its sole discretion.

Colors and dimensions in the catalog are intended as indicative and not binding.

All Euroluce models are deposited and/or covered by patents.

Tutti gli apparecchi di illuminazione di Euroluce rispondono ai requisiti richiesti dalle attuali direttive europee vigenti per una corretta Marcatura **CE**.

Tutti i prodotti di Euroluce sono certificati a marchio **EAC**, marchio di qualità e di sicurezza valido ed obbligatorio nella Confederazione dei Paesi Est Asiatici.

La maggior parte dei prodotti di Euroluce sono certificati **cULus**, marchio volontario di sicurezza per il mercato del Nord America.

*All of Euroluce's luminaires meet the requirements of current European directives for proper **CE** Marking.*

*All of Euroluce's products are **EAC**-marked, a valid and mandatory quality and safety mark in the Confederation of East Asian Countries.*

*Most of Euroluce's products are **cULus** certified, a voluntary safety mark for the North American market.*
