Inspired by the Bauhaus School's principles of minimalism and simplicity, the Gropius counter Chair combines clean lines, geometric shapes and a timeless aesthetic. Crafted with quality and attention to detail, as every piece involves careful manual work, it features a comfortable seat, backrest, and upholstered legs supported by a metal footrest.

The stand-out counter chairs Gropius offer a unique opportunity for customisation. With a wide selection of premium upholstery materials in various colours, including wool, velvet, and boucl  , the counter chair can be tailored to individual styles, preferences and needs. This custom approach adds a personal touch that redefines the ambience of both residential and commercial interiors, making a statement in any space.
