The Spheric Ottoman features a perfectly round shape that beautifully complements the Gropius seating collection, infusing any space with playful energy. Inspired by the Bauhaus principles, its design celebrates simplicity and functionality through clean lines and simple geometric shape. Handcrafted by skilled artisans, this ottoman reflects NOOM's dedication to quality, timeless design and attention to detail.

Whether you want to roll, play, or relax, the Spheric Ottoman invites interaction with its engaging form and tactile, pleasant, soft surface. It is an excellent standalone piece or part of a cohesive Gropius collection, redefining comfort and style for residential and commercial interiors.
